59th Nordic Film Days Lübeck

Deadline: Friday, August 1, 2017 / Festival Date: November 1-5, 2017

The Nordic Film Days Lübeck is among the film festivals with the longest tradition in the world. It specialises in presenting films from Northern and Northeastern Europe.

Each year, for five days in early November, the NFL showcases narrative features, documentary and short films from the Scandinavian and Baltic countries. These are complemented by a wide-ranging programme of children's and youth films, and a retrospective, which each year focuses on one or more significant aspects of cinema history.

A total of eight prizes are awarded in the sections narrative films (4), documentaries (1), children's and youth films (2) and Filmforum/short film (1). The total endowment for the prizes is 35,500 euros.
